The Honors College at Auburn University
Honors Student Center Contract

As a member of the Honors College, I, ___________________________, pledge to honor the established rules and guidelines set forth by the Broun Residence Hall Staff, Housing & Residence Life, and the Honors College.

I. Honors Student Center

I understand that the University Honors Student Center, located in the basement of Broun Residence Hall, is present for utilization only by Honors College students and residents of Broun Hall. Each student is responsible for the care and order of these spaces. As examples, furniture that is temporarily moved for study or meetings should be returned to its original location, and books should be returned to bookshelves. The kitchen should be cleaned after each use, and dishes should not be left in the sink. Food should not be left in the refrigerator for long periods of time, and trash should be regularly emptied to outside dumpster.

Honors students may enter and exit the Center by the exterior covered entrance. ID scanners at the entrance will ensure that only Honors students and Broun Hall residents have access to the facility. Each student must sign an Honors Contract before his or her ID card will be activated. Hours of use are 10:00 a.m. until 12:00 a.m. Non-residents will be expected to leave the building by 12:00 a.m. Access by non-residents of Broun Hall is limited to the basement area and does not include admission to the residential areas (i.e., there will be no traffic by non-residents on the stairwells or elevator). Non-residents may visit residents of Broun Hall by complying with hall visitation procedures (using the front door and checking in at the desk). While present in Broun Hall, residents and non-residents are expected to adhere to all rules and policies set forth by AU Housing. A violation of any such policy or any guideline set forth in this contract shall be subject to disciplinary action.

II. Disciplinary Action

Failure to comply with any of these established guidelines shall result in disciplinary action. It is also important to note that this Honors contract obligates a student to report any witnessing of a violation by another Honors College student. Failure to alert a staff member of a policy violation will be considered a violation within itself. All infractions shall be subject to referral to the Residence Life Peer Review Board and/or the Honors College Executive Committee.

Depending on the type of violation, disciplinary action will be as follows:

1. Oral warning with written documentation by a staff member; or
2. Referral to Residence Life Peer Review Board; and/or
3. Referral to the Honors College Executive Committee.

Please see the handout AU Housing and Residence Life Disciplinary Procedures/Peer Review Board Process for more specific information.

III. Agreement

I realize that Broun Hall is serving as an example of the co-ed living experience and the Honors College’s reputation: I am taking part in its success or failure. It is my understanding that these guidelines have been established for my own safety and privacy as well as for the protection of Auburn University and Honors College resources.

I understand that a referral to the Residence Life Peer Review Board or the Honors College Executive Committee is grounds for the termination of Honors College priority registration and/or removal from the College.

On my honor, I shall diligently work to preserve the integrity of this policy and any other rules deemed necessary by the Broun Residence Hall staff, Housing and Residence Life and/or the University Honors College.
