Honors College Requirements: To complete the Honors Scholar curriculum, students are required to complete a minimum of 24 hours of Honors credit (with a grade of "C" or better), including a minimum of 3 hours of Honors Participation courses. To complete the University Honors Scholar curriculum, students must complete 30 hours of Honors credit (with a grade of "C" or better), including a minimum of 3 hours of Honors Participation courses and 6 hours of courses designated as Senior Year Experiences. To remain in good standing, students must attain the minimum number of Honors hours for their academic year as outlined in the Honors Handbook, meet with their Honors Advisor at least once per academic year, and maintain a minimum unadjusted Auburn GPA of 3.0 during the first year and 3.2 unadjusted GPA for the remaining years. Any exceptions to these policies must be approved by the Honors College.
