Minor in Community & Civic Engagement

Why Minor in CCE?
Students who want to serve their communities and want to learn how to apply their academic disciplines in making contributions to the larger society will find the minor rewarding and worthwhile. The faculty teaching in the program are committed to CCE and have designed classes that will provide context, skills, tools, and methods for understanding and addressing public issues.

Requirements for the CCE Minor:
- 15 credit hours with a minimum of 9 credit hours at the 3000-level or higher
- 1 hour capstone course
- Students must take at least one course from each of the four CCE categories (Context; Public Issues; Skills, Tools, and Methods; and Service Learning)
- Students calculated GPA in the minor must be 2.5

Please contact Mark Wilson at mwilson@auburn.edu for more information regarding any of these initiatives
